PLAINTIFF PROPOSED VOIR DIRE

Introduction of the Case

Dr. Wang is a physician of Asian descent, born in People's Republic of China.

Defendant discriminated against him on basis of his race and/or national origin including defames him and deprived Dr. Wang's privilege of being a citizen of the United States.

This action seeks compensatory and punitive damages for defendant's violations of the United States Constitution, The New York Constitution, Federal and New York State anti-discriminatory statutes as well as claims arising under New York common law.

The jury in this case will be asked to combine all the evidence in consideration of the law as it comes from the Court and reach a reasonable, truthful, and proper verdict as to the guilt or innocence the defendants on trial. In addition to all the considerations of fairness and objective judgment which the jury is asked to render.
